Partial Reveal For Five-Story, 32-Unit Condo Project At 280 St. Marks Avenue, Prospect Heights

280 St. Marks Avenue, rendering via Curbed

BY: REID WILSON 10:00 AM ON OCTOBER 9, 2015

In the final days of 2014, DNA Development [filed applications](#) for a five-story, 32-unit residential building at 280 St. Marks Avenue, in Prospect Heights, and now [Curbed](#) has a rendering of the project. The building will measure 51,301 square feet, and the units will be condominiums, averaging 1,603 square feet. The units will range from one- to four-bedrooms and all will feature outdoor space. DXA Studio is designing, and sales are expected to launch in the next few weeks.
